As set forth in the Reply Declaration of Jeremy Roller in Support of the KPMG Defendants' Motion to Dismiss (Dkt. # 25), on May 11, 2007, the KPMG Defendants filed a motion in the Matter of the Bankruptcy of Erwin Singh Braich, No. 193466VA99, pending before the Supreme Court of British Columbia in Bankruptcy. By that motion (the "Canadian Bankruptcy Motion") the KPMG Defendants seek a (1) declaration that Braich is required to obtain leave of the Supreme Court of British Columbia in Bankruptcy before suing them, and (2) an injunction enjoining Braich from prosecuting this or other actions against them absent leave from the Supreme Court of British Columbia in Bankruptcy. On July 18, 2007, the Honorable Chief Justice Brenner of the Supreme Court of British Columbia held a case management conference regarding the conduct and scheduling of the hearing on the Canadian Bankruptcy Motion. In that case management conference, Chief Justice Brenner directed, *inter alia*, that the hearing on the Canadian Bankruptcy Motion be scheduled for two days, as opposed to the two weeks requested by Erwin Braich. Chief Justice Brenner advised that he would hear the motion if he was able and that the parties were to consult the Trial Coordinator regarding his availability. Following the parties' consultation, the Trial Coordinator scheduled the hearing to commence on October 1, 2007, at which time the parties are advised Chief Justice Brenner likely will be available to hear the matter. The KPMG Defendants respectfully submit that their Motion to Dismiss should be granted on the record presently before the Court. Alternatively, if this Court believes it may benefit from guidance that the Supreme Court of British Columbia is anticipated to furnish in resolving the Canadian Bankruptcy Motion, the KPMG Defendants will provide this // // // //
